

# White Christmas Kit

## Included in kit:

Bag 1: White Christmas Mix

Bag 2: Mixed Fruit & Cherries

## You need to add:

**250g Copha or 230g White Chocolate & 20g Copha or vegetable oil**

1. Place contents of both bags into a bowl and line a lamington tin with bakers paper
2. Melt the copha (or chocolate & copha) in a bowl over a pot of simmering water, taking care not to overheat or burn it
3. Once melted, pour into the dry ingredients and mix well
4. Press into prepared tin and refrigerate until set
5. Cut into squares and store in an airtight container until served

- Try drizzling with milk, dark or white chocolate (or a combination of all 3!) for a beautiful effect
