

# Rum Ball Kit

## Included in kit:

Bag 1: Truffle Base

Tin Condensed Milk (use 1/2 the tin)

Sprinkles & Desiccated Coconut

## You need to add:

50ml Rum, Brandy of liquor of choice

50ml Water

1. Place truffle base into a food processor and blend for a minute or until biscuit pieces are ground fine
2. Mix the liquids in a separate bowl before stirring through the ground truffle base until well combined
3. Wet your hands and roll the mixture into small balls
4. Roll through your coating and store in an airtight container until served

- To make mini Festive Puddings try drizzling melted white chocolate over the rum balls before topping with chopped Glace Cherries

- Ask to see our range of mini cupcake papers to put your Rum Balls in! Make sure they're set before you put them in the papers so they don't stick.
