1 Can Condensed Milk

You need to add:

Nothing!

1. Line a slice tin with baking paper
2. Cut each cherry bite into 6 pieces and roughly chop the pistachios and place them in a bowl together.
3. Place the chocolate buttons and condensed milk into a double boiler and gently heat until the chocolate melts. Take care not to burn it. Remove from heat
4. Pour the melted chocolate over the chopped cherry bites and pistachios and stir to combine
5. Pour the mixture into prepared tin and smooth the top
6. Refrigerate until set and cut until small squares

- You can melt the chocolate in the microwave too. Use the defrost setting 30 seconds at a time and stir regularly. Don't rush it as the chocolate can quickly burn
